

# iApp

Do you get some crazy ideas in your mind out of no-where and wish there had been an app for it?

Do you think about the joy you can feel on running the app developed by yourself?

Cool apps that surprise and delight mobile users, built by developers like you, are a huge part of the **i.App** vision. To support you in your efforts, **i.App** Challenge is organized by **i.Fest**, under **IEEE SB DA-IICT** chapter.

The details of registration for **i.App** are:

**Team size:** Maximum 3

**Platforms:** Android, Windows, IOS

## **Phase 1: Submission of Idea**

Make a document(**pdf**) of 1 page maximum containing the following details:

- Team Size, Name and Id of the members
- App name, App Idea, Scope of Idea/Applications, Platform of development

Send the contact details of a representative of your team with whom we could interact, along with the document, to [iapp.ifest2014@gmail.com](mailto:iapp.ifest2014@gmail.com). The subject of the mail should be "**Registration i.App 2014**".

We will reply back with a confirmation after which you can move on for the app development.

## **Phase 2: App development**

This phase consists of the implementation of the idea into developing an app.

## **Deadlines:**

Last date of submission of ideas (Phase1) : **1 Oct, 2014**

Last Date of submission of app (Phase 2) : **25 Oct, 2014**

Why should you participate? Prizes of course !! Loads of exciting prizes to be won and a great experience developing the app.

In case of any queries, drop a mail at [iapp.ifest2014@gmail.com](mailto:iapp.ifest2014@gmail.com).

## **Coordinators**

Madhav Khakhar (8460196314)

Kunal Jha (9558478752)

Shivang Kar (8866865954)
