i.Fest '19

Evanescent Qualm

11th to 13th October

About IEEE

IEEE

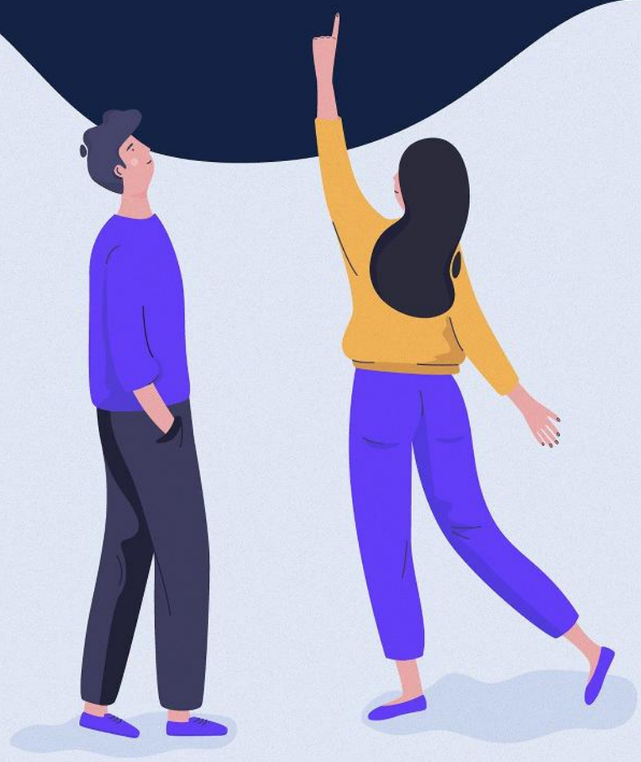
STUDENT BRANCH DAIICT

The IEEE SB DAIICT endeavors to promote student awareness on the opportunities that exist in the field of electronics and electrical engineering. Our objective is to bridge the gap between industry and engineering students by providing an interactive platform for students to develop professional and technical abilities. To accomplish this objective, IEEE SB DAIICT conceptualized the idea of i.Fest. Our aim is to bring in budding engineers from all over India to a common platform so that they can share their knowledge with their fellow imaginers.

About DA-IICT

Dhirubhai Ambani Institute of Information and Communication Technology, promoted by Dhirubhai Ambani foundation and Anil Ambani Group,was established to provide an enriching environment to enable young minds to widen their horizons in the field of ICT. Set in the backdrop of the lush greenery of Gandhinagar, DA-IICT has and will continue to act in the field of ICT while being at complete harmony with the nature, society and humanity.

i.Fest is one of the most anticipated and acknowledged technical fest all over Gujarat. It is lauded for its versatile and wide ranging technical, social, non-technical events. i.Fest provides students an outstanding platform for students to showcase, inculcate the valuable skill of innovation and simultaneously compete with their technical and non-technical skills and win huge amount of cash prizes. Last year, we witnessed over 2000 participants in this 3-day techno-social events.



Evanescent Qualm

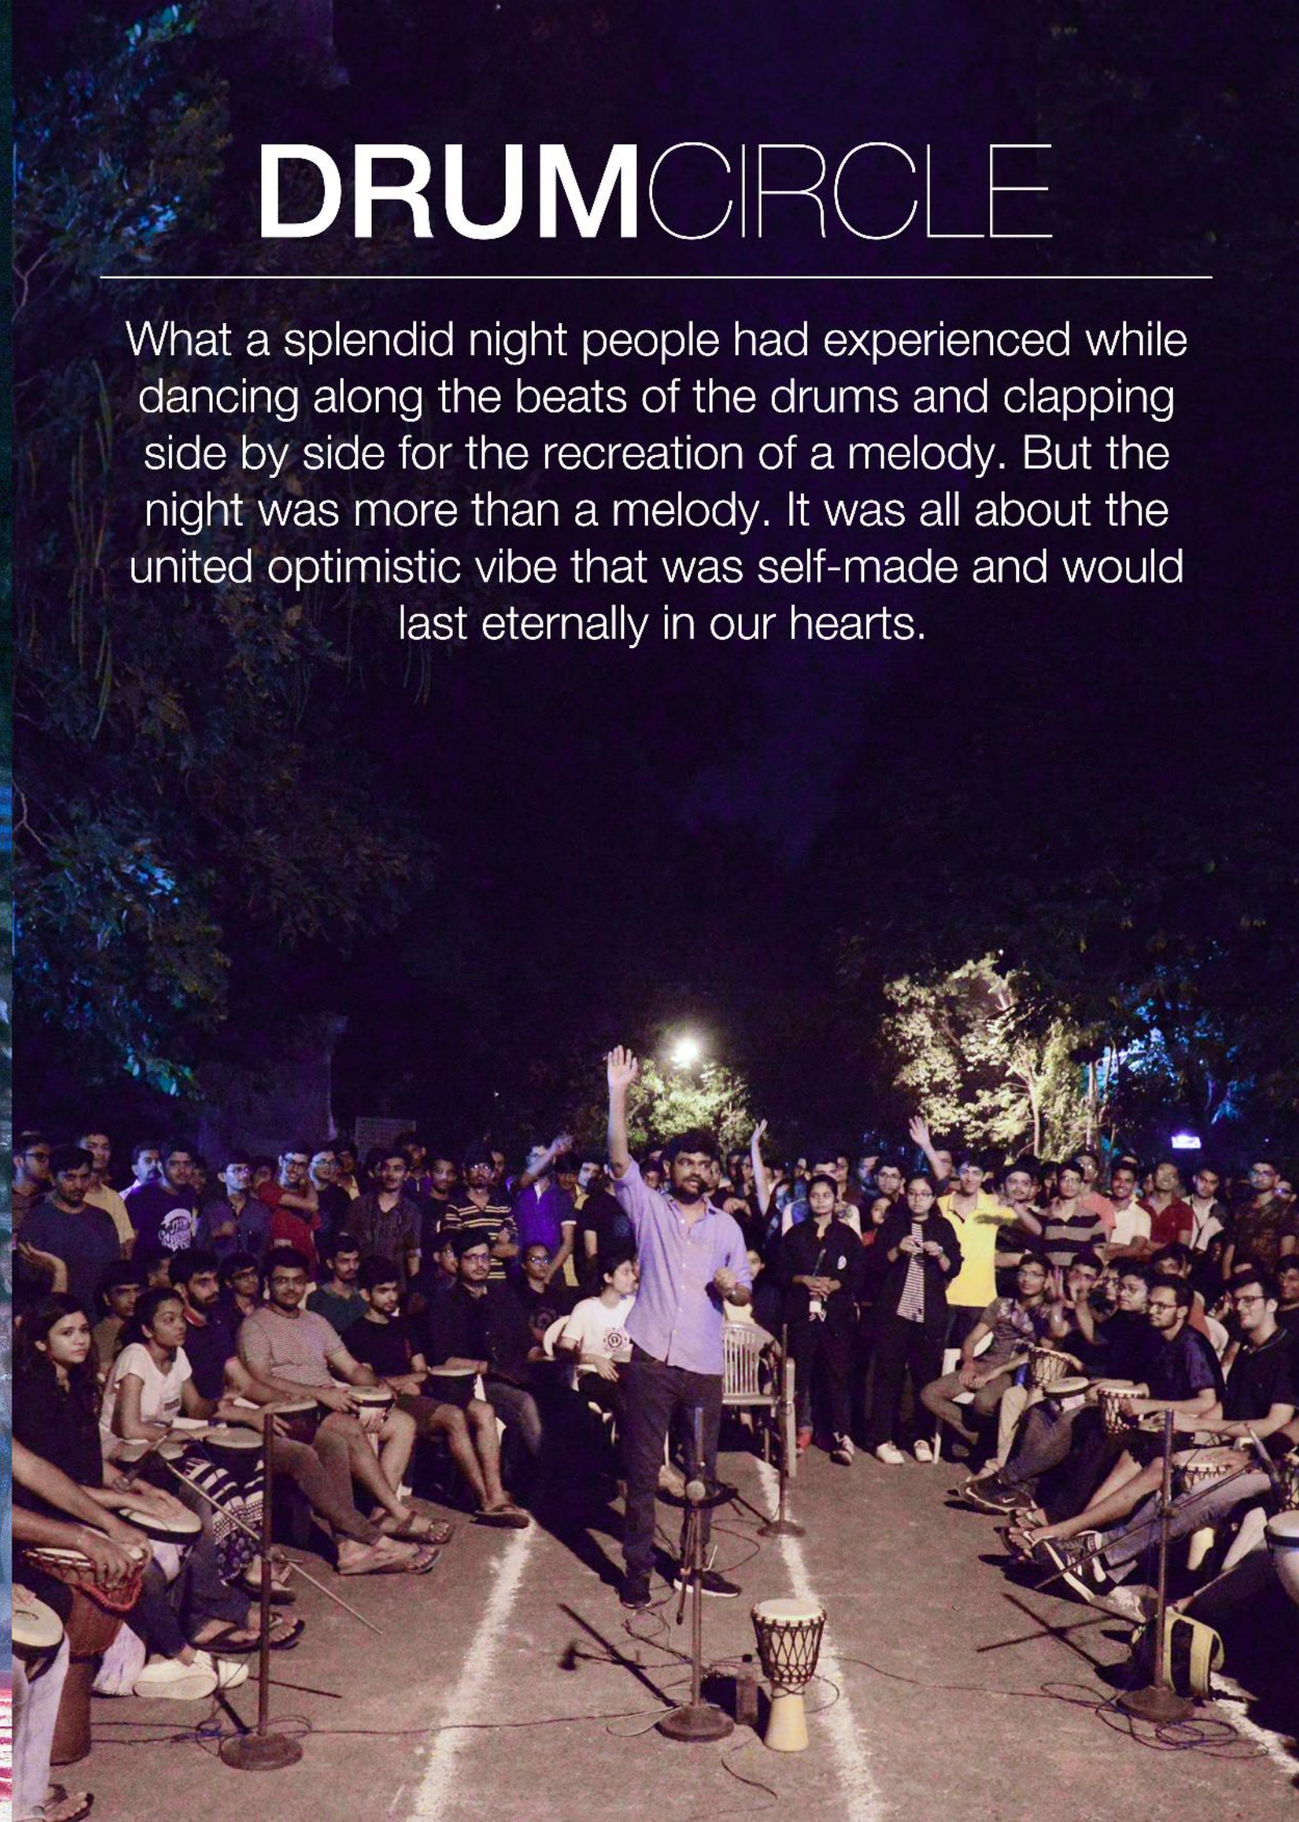
As the theme is quite perplexing and not comprehendible on first look, but don't judge too fast, here is a latent meaning to it. Evanescent means fading or disappearing and qualm means uncertainty. Together it means disappearing of uncertainty. In such tremendously technologically advancing world,where everything is outdated every moment, we can predict the future.
YES, YOU HEARD IT RIGHT!!! We can fathom where we are heading to. What we think is impossible right now, this thought, will disappear and anything you are uncertain about will come true in seconds or may be picoseconds. Our fest is all about discarding or fading of thoughts about implausibility and make qualms certain.

INAUGURAL NIGHT

The night of inaugural sets the stage for the next two days of festivities and technical plethora. Inviting the participants from all over Gujarat and India including students, professors and our esteemed sponsors we tend to kick it off with an amazing stand up artist performing in front of about 3000 people in our very own Open Air Theatre. Sahil Shah inaugurated in 2018 and left us all ROFL.

DRUM CIRCLE

What a splendid night people had experienced while dancing along the beats of the drums and clapping side by side for the recreation of a melody. But the night was more than a melody. It was all about the united optimistic vibe that was self-made and would last eternally in our hearts.



Technical Events

i.Relay
Here's where the programming enthusiasts get to showcase their skills. They have to do it in teams of 3 where only 1 person codes at a time. Join the coding evolution.

i.App
Think your app is a game changer? This is where you can send in any kind of app - web, mobile, tablet, desktop - and make the best out of this opportunity.

i.Web
An event for Web Developers. A theme will be given to all participants two days prior to the event and they will have to build the website according to the theme and presentations will be conducted during the event.

i.Bot
Robotics has come a long way and i.Bot provides you a wonderful opportunity to build an autonomous bot to fulfil a problem statement and dive into the world of robotics.

i.Database
From Facebook to Zomato to your mobile phones, databases are everywhere! This is where modelling real-life scenarios and re-envisioning database designs come into play and players design their way through the given scenarios.

i.Biz
i.Biz provides a platform to young minds with business acumen to come up with plans to make it big. And you could also pitch in your start-up ideas and get investors!

Technical Events

Blind C

Confident enough about your coding skills to be able to write them down blindfolded? (Well, not literally. But you'll be screen blind!) Show us how you'll do it.

i.Quiz

The hunger for quizzes is truly satisfied by i.Quiz, a tech-based quiz featuring mind-boggling questions for all the quizzing enthusiasts.

i.Ganith

For math geeks who love walking through numbers, this is an event where mathematical skills stand out. Come show us your mathematical instinct.

i.Crypt

Love abstracting, coding and decoding? This is the event where participants will get to decrypt and encrypt messages and codes.

IoT Auction

Students will engage themselves in a real-life auction where they will bid on a plethora of equipment. The task would be to build something from the same.

Roboclash

Robots are transforming our lifestyles so gear up yourself for action-packed live robot war. Engage with an enemy and plunge into the fights.

Non-Technical Events

Treasure Hunt

A secret treasure expedition will be conducted within the territory of DA-IICT. Dare to unveil the forbidden treasures that lie within the shadows. A complete fun-filled event where the students hunt for various "treasures" around the campus.

i.Clash

Do you get an adrenaline rush while playing games? Then this event is what you've been waiting for! We bring to you the gaming experience of counter strike, Dota and NFS.

i.Cube

This is for cubing enthusiasts, those into solving the world's favorite challenge, the Rubik's cube. Show us how your fingers move mechanically when you get a cube.

i.Maze

Love solving crossword puzzles? Challenge your mind to the mysterious world of puzzles through i.Maze.

i.Capture

Are you an amateur photographer or a photography enthusiast? Do you understand the craft of taking pictures, documenting a story, conceptualizing an idea and capturing emotions? If so, then this is the competition for you.

i.Rubble

One man's trash is another man's treasure. Make simple yet stunning things from turning trash into seriously entertaining, well-designed toys, by just using basic principles of science.

Non-Technical Events

i.Decipher
If visual cues and neuron twisting questions lead to a sudden surge of impulses in your cerebral cortex, then you are at the right place. Do your best to find the elusive link and fill in the tantalizing blanks.

i.Ride
We all know to ride a bicycle fast, but the real challenge lies in riding it slow.

i.OHunt
Online Treasure Hunt! Answer of the current puzzle is the link (URL of Next Puzzle) to next puzzle.

Paintball
Want to cherish memories of Holi again? Paint ball is no less option. Enjoy with your friends with colourful splashes of fun.

NEW EVENTS

Drone Strife

Ever wondered how it feels to be on the first hand flying a drone. Come and test your skills as a drone racer. Bring your drone and race it. Earn points on design, complexity and special features.

Bug Bounty

The coolest cyber strife is here. In order to "Capture the (winning) flag", attack opponents system and defend your system simultaneously, There are plethora of bugs to deal with.

Registration Application

i.Fest has a fantastic and informative mobile app along with an equally well-made website. We have over 23 events covering a varied set of domains. This caters to the interest of multiple participants and is a prominent reason for the growing popularity and increased participation of this fest. To automate registration process and to save paper, we have a volunteer registrations app. Each volunteer logs into his account, collects registrations digitally and an email of confirmation with registration slip attached is directly sent to participant's email ID. It is effective way to use technology effectively and be eco friendly at the same time.

BECOME OUR
TITLE SPONSOR

For amounts greater than Rs 2,00,000/- the sponsor will be declared the Title Sponsor of i.Fest for the year 2019. The festival will be named after the sponsor i.e. IEEE Student Branch DAIICT and <sponsor name> present i.Fest'19.
